

Head Teacher's Message

Dear All,

We've had a busy start to the second half of the Advent Term and the children have all settled back into the school routine well. They have been busy working hard and having fun.

Our curriculum is exciting the children and they are very motivated at school; Please take a look at the school website to find out what your children are learning so that you can ask them questions about their day.

Please take a look at the dates for the diary; we have many activities planned. These activities support the catholic life of our school and I'd like to thank you in advance for your support as we live out our mission; Love, Learn, Respect and Forgive.

Have a lovely weekend as we celebrate Diwali and Bonfire Night.

Wrap up warm and Stay Safe

Best wishes

Children in Need

We will be celebrating Children in Need on Friday 12th November
Please Donate a Pound and wear Yellow and Spots!

Let's contribute to making the difference. Thank you to Mrs Martin and The School Council for organising this event.

'We put the money raised by you, the great British public, to work all year round in communities right across the UK.

We fund local charities and projects who help remove the barriers that are facing children and young people, so that they can thrive.

We work closely with a whole range of organisations so we can understand where the need is greatest, ensuring the money you raise goes to supporting the young people that need us most.'
