POLICY FOR SCHOOL BEHAVIOUR AND DISCIPLINE

Our School's Vision and Mission Statement.

'At St Joseph's with God's guidance we love, learn, respect and forgive.'

St. Joseph's Catholic Voluntary Academy wishes to provide a school environment that is safe and stimulating for the children in our care. In order to ensure that this is so, our policy sets procedures to create a calm, secure and happy working environment for all.

Our Policy sets out, in general terms, how we expect staff and all our pupils to behave in school and on visits. It is agreed with the children and staff at the beginning of each school year and periodically throughout the year. All pupils are expected to behave according to the guidelines set out in the Code.

This Policy has been formulated with the safety and well-being of the children in mind, and to enable the school to function efficiently as a positive, stimulating, place of learning for everyone connected to the school.

Care and Control of Children: creating the environment for all to flourish.

We wish to create a positive atmosphere for all at the school. We realise that adults set the tone for attitude and behaviour. As adults we have responsibility to create an atmosphere where children are stimulated and want to learn. Behaviour and expectations are set by staff as both personal role models and also in the way they deliver the curriculum and conduct themselves. Staff have a responsibility to provide interesting, challenging and well-paced lessons that motivate and engage the interest of pupils, thereby looking to diminish the possibility of negative behaviour.

The Role as Adults

It is essential that all staff:

- ◆ Are good role models
- ◆ Are firm but fair, and are not biased in their dealings with pupils
- ◆ Work hard and involve themselves fully in the life of the school
- ◆ Have a good sense of humour
- ◆ Are always willing to listen, being patient and kind
- ◆ Treat people as human beings, are never sarcastic or put people down
- ◆ Promote self-worth in all members of our school
- ◆ Talk to children about problems directly when they arise, either individually, in small or larger groups as appropriate
- ◆ Liaise with parents/guardians or other adults when necessary
- ◆ Apply and enforce sanctions where necessary in line with the school's Behaviour Policy
- ◆ Realise the impact that their behaviour has on others around them, and that behaviour and attitude is everyone's responsibility

Managing Behaviour Directly

At St Joseph's we look to pre-empt poor behaviour and endeavour to deal with children and their behaviour positively. Whilst good teaching and a good environment will encourage and support good behaviour, poor behaviour will be dealt with in an appropriate manner. These will be applied in a fair, consistent manner with structures, boundaries and rules explained fully to the children.

Incentive Scheme

The major focus this policy is to encourage pupils to exhibit good behaviour; this is reinforced with a system of praise and reward for all children. St. Joseph's scheme is based on rules, rewards and sanctions, through which children can be rewarded for academic and non-academic achievements, for effort and for being caring, and for all aspects of good behaviour.

All children, from the Early Years Foundation Stage through to Year 6, are awarded points and certificates for thoughtfulness, being helpful, good work, and so on. Teachers use Class Dojo to award children points which feed into the whole school house point reward system.

Class points are given when children are behaving well as a class, eg: for lining up at playtimes and lunchtimes, keeping their cloakroom area tidy. These points are given by the teachers. Points are recorded by the teacher and displayed in class using the Class Dojo.

Class Dojo Points are intended to help staff focus on positive rather than negative behaviour e.g. if a child is continuing to stay on task when a partner is trying to distract him, staff may choose to reward the child on task rather than apply a sanction to the child who is not.

The reward system is graded as follows:-

Any noteworthy behaviour	1 point (recorded on class Dojo)
50 Points	Bronze Award
100 Points	Silver Award
150 Points	Gold Award
200 Points	Platinum Award

Awards will be presented in whole school collective worship and parents will be informed of their child's achievement.

Points can be awarded by any staff member to any child at any time. This reinforces our philosophy that the care of all our children is the responsibility of all adults in school. If all children in a class achieve Bronze or Silver they may have an appropriate class treat of their choice including: class party, class disco, additional art/PE, DVD etc.

The reward should reflect the achievement i.e.

- Bronze Party: up to one session
- Silver Party: up to half a day

When a child achieves a Gold award they will be invited to have afternoon tea with the Head Teacher. This will be held when a group of children have achieved the award.

When a child achieves their Platinum award they will receive a book voucher

Head teacher certificates are awarded to children who have tried hard all week. These can be for good work or good / improved behaviour. Children respond to a positive approach where their efforts are acknowledged and make considerable efforts to improve their work and, when necessary, their behaviour.

Sanctions

We believe that developing the whole child enables them to take responsibility for their own actions, thus promoting self-regulation and proper regard for authority. This system relies heavily on the use of praise to modify behaviour and any success is recognised. However, when rules are broken there must be a consequence with only exceptional exceptions. Sanctions given are proportionate and consistent. Behaviour incidents are recorded and are categorised as either low or high level (definitions are included in the graduated scale below).

We recognise that when a child is involved in an incident, either as the victim or perpetrator, we must have a support system in place for them. Careful data management and tracking allows for early identification of pupils at risk of failing and preventative measures are put in place. Ongoing monitoring allows for impact to be assessed and strategies adjusted as needed.

We use the Behaviour Watch and the CPOMS systems to record safeguarding concerns and behaviour incidents. This allows the timely sharing of information, a joined up approach and early identification of any issues. Keeping a record of incidents also enables data to be robustly and purposefully interrogated by the behaviour lead.

STAGE	CONSEQUENCES	REPARATIONS
<p>Stage 1: Low level incidents:</p> <ul style="list-style-type: none"> calling out chatting wasting learning time not responding immediately to a reasonable request moving out of seat without permission 	<ul style="list-style-type: none"> child will be spoken to about their behaviour. 	<p>Child</p> <ul style="list-style-type: none"> will apologise <p>Adult</p> <ul style="list-style-type: none"> when behaviour is modified, child will be praised.
<p>Stage 2: Continuation of stage 1 behaviours or immediately if:</p> <ul style="list-style-type: none"> discourteous (rude/bad mannered) name calling pushing unwanted touching of another child disrupting a lesson high levels of unnecessary movement 	<ul style="list-style-type: none"> time out during break/lunch times (am) KS1: 5 minutes KS2: 10 minutes time out at class reflection space (pm) KS1: 5 minutes KS2: 10 minutes child expected to continue to listen and learn. 	<p>Child</p> <ul style="list-style-type: none"> will apologise <p>Adult</p> <ul style="list-style-type: none"> when behaviour is modified, child will be praised and asked to return to their place/continue with break time
<p>Stage 3 Persistent Stage 1 or 2 behaviours or immediately if child not compliant to previous sanction (s)</p>	<ul style="list-style-type: none"> 10 minutes in partner classroom (escorted if necessary) child to complete any missed work during the next break (break/lunch) Mrs Dedman will be informed. parent/carer will be spoken to by the class teacher at the end of the day 	<p>Child</p> <ul style="list-style-type: none"> will apologise and complete a reflection form (sent home with child if they refuse to complete it) <p>Adult</p> <ul style="list-style-type: none"> will discuss reflection form with the child and when behaviour is modified, child will be praised
<p>Stage 4 If two reflection forms have been completed in one half term or immediately if:</p> <ul style="list-style-type: none"> fighting/ hurting another child swearing physical assault engaging in actions that could harm others bullying - all forms leaving without permission spoiling with intent threatening - high probability of someone being hurt 	<ul style="list-style-type: none"> child sent to Mrs Dedman or Mrs Abel who will deal with the incident child to make up lost learning time during the next break (break/lunch) parent/carer to be telephoned to discuss the situation. If more than one child is involved in an incident, then all parents/carers will be contacted for more serious incidents parents/carers may be asked to come into school to discuss the situation sanctions given appropriate to the incident- e.g. loss of full play time or privileges. Mrs Dedman to consider if it is appropriate to isolate or exclude child support plan or risk assessment to be put in place if required 	<p>Child</p> <ul style="list-style-type: none"> will apologise verbally and in writing <p>Adult</p> <ul style="list-style-type: none"> adult will discuss apology with the child to make sure they understand the seriousness of the situation and what they are apologising for

Parents/carers

Parents/carers can help by recognising that an effective School Behaviour Policy requires close co-operation between parents/carers, teachers and children. Parents/carers should discuss the school rules with their child, emphasising that they support the rules.

Attending Parents'/carers' Evenings and parents'/carers' functions and by developing informal contacts with school helps to reinforce their support for the Policy. Learning and teaching cannot take place without sound discipline and parents/carers should recognise that staff will deal with behaviour problems patiently and positively.

Physical Intervention

If a child attacks another child or adult violently and refuses to calm down, then physical restraint is necessary. Any physical restraint will be carried out in line with LA guidelines. The child is removed and taken to the Head Teacher or Assistant Head, who contacts the child's parents/carers.

An Incident Form is completed and the situation discussed with the Head Teacher or Assistant head, who will work with the member of staff and parents/carers to devise an action plan to meet that child's and the school's needs. This might include the involvement of other agencies - Social Services, Psychological Service, Pupil Referral Service, etc.

For further guidance, refer to the School Policy or DfES circular 10/98 *Use of Force to Control or Restrain Pupils*.

Staff have received updated Physical Intervention through Team Teach. <https://www.teamteach.co.uk/>

Managing Cyber-bullying

Cyberbullying (along with all other forms of bullying) of any member of the school community will not be tolerated. Full details are set out in the school's policy on anti-bullying. All incidents of Cyberbullying should be reported to the Head Teacher and will be recorded on CPOMS. Procedures will be followed to investigate the incidents/allegations of Cyberbullying.

Personal Mobiles - Pupils

- Pupils are not allowed to have mobile phones during school hours or on school trips.
- We understand that mobile phones may be brought into school as a means of parent child communication before and after school. However, if a mobile phone is brought into school, the child must immediately switch off their phone and give his/her phone to reception. It will then be securely held until the end of the day, when the child will be able to collect it. The school will not be held responsible for any damage to devices on its property.
