Parents
Teachers
Association**

**Welcome to our first
edition of the PTA
Newsletter**

Firstly, welcome back to existing parents/carers and a big hello and welcome to all our new parents/carers. This year we feel like we wanted to keep you all updated on things that happen behind the school gates. And the only way we feel we can do, is by starting our very own PTA newsletter. We will aim to send this out every couple of months to keep you, the parents updated on things that will be happening within the school ran by the PTA, like discos, coffee mornings etc.

WE NEED YOUR HELP

We want to help the school in any way possible. The PTA can help with raising funds within the school for the children. The main issue that needs help with funding is transport for the children to go on school outings.

We are aiming and hoping to help cover part if not more of these costs. We would like to start regular coffee meetings, school discos, treats for the children etc. But to do this, we need YOUR HELP.

All we ask is if you could spare 30 mins for our coffee mornings, pop in for a lovely 'cuppa, chat and cake'. Make donations if you can, offer time to help during discos, donate cakes, sweets, crisps, juice etc. for our upcoming events.

If you have any ideas, then please feel free to let us know, we have a PTA WhatsApp group if you like to join, we have a Facebook PTA page too or you can email us on the below address
