Thank you to all those that came along to our first disco of this term.

Without your help we wouldn't have been able to raise an amazing £438 which will go towards the school transport costs.

Along with the coffee morning we have had, up to now we have raised over £500 for the Children at school.

Please if you can, help wherever possible, with donations and helping at events.

**If you or a company could spare any donations towards our events coming up; that would be great. We are always on the lookout for crisps, sweets, popcorn, squash, and juice. Please let us know. The money we raise is for the children, so we really rely on donations to make our events go ahead.**
